B. From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above 15% by the affirmative vote or assent of 51% of each class of members.

C. The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4 – Special Assessments for Capital Improvements

In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of construction, repair, or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the affirmative vote or assent of 51 % of each class of members.

Section 5 – Notice and Quorum for Any Action Authorized Under Section 3 and 4

Any action authorized under Sections 3 or 4 and requiring an affirmative vote or written assent of a certain percentage of the Association membership shall be taken at a meeting called for that purpose, written notice of which shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting. If the proposed action is favored by a majority of the votes cast at such meeting, but such vote is less than the requisite 51% of each class of members, members who were not present in person or by proxy may give their assent in writing, provided the same is obtained by the appropriate officers of the Association not later than 30 days from the date of such meeting.

Section 6 – Detention Pond Maintenance Assessment

The Association may shall at least annually assess each Lot and equal amount for its share of the Maintenance Costs as set forth in paragraph 29 of that certain Reciprocal Easement and Operating Agreement dated July 9, 1999 May 12, 1997, between St. Joseph Medical Center of Fort Wayne, IN, Inc., Wallen Chase, LLC, Michael D. and Cheryl Keller, and Wallen Chase Community Association, Crossman Communities Partnership, an Indiana general partnership, which Agreement is recorded at Document No. 99-005096697-0024804 in the office of the Recorder of Allen County, Indiana. No provision is made herein for assessment of Road Maintenance Costs, as defined in the said Reciprocal Easement and Operating Agreement, since the road referenced therein is being dedicated as a public road.

Section 7 - Uniform Rate of Assessment

Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly, quarterly, or yearly basis.

Section 8 - Date of Commencement of Annual Assessments Due Dates

The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the first conveyance of Common Area by the Developer to the Association. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The Association shall, upon demand and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

Section 9 - Lot Maintenance Assessment.

- A. From and after the date of purchase of a Lot until construction of a single-family residence commences, the Association shall have the exclusive right to perform all maintenance on the Lot, including but not limited to, cutting the grass, keeping the Lot free from weeds, and the removal of trash and debris.

- B. In addition to the liens assessed under this Article IV, each Lot Owner, with the exception of the Developer, may be assessed an annual fee at the rate of \$25.00 per month for two (2) years following the Owner acquiring title to the Lot (the "Lot Maintenance Assessment"). Thereafter, the Association may assess the Lot Owner an annual amount which the Association, in its sole discretion, determines necessary to maintain the Lot as provided in Subparagraph (a) above.
- C. The first annual Lot Maintenance Assessment shall be prorated according to the number of remaining months in the calendar year of purchase, and payment shall be due on January 1 for each succeeding year. After construction commences, the Lot Maintenance Assessment paid in the year of commencement shall be prorated for the remaining month(s) of the year following commencement and be reimbursed to the Lot Owner. The Association may offset such reimbursement against the annual assessment levied under this Article IV in the succeeding year.
- D. From and after the date construction of a single-family residence commences upon a Lot, it shall be the duty of the Lot Owner to perform all maintenance on the Lot, including but not limited to, cutting the grass, keeping the Lot free from weeds, and the removal of all trash and debris. The Association, in its sole discretion, may undertake such Lot maintenance under this Subparagraph (d) should the Lot Owner fail to do so. In that event, the Lot Owner shall immediately, upon written demand, reimburse the Association, its agents and/or independent contractors for all expenses incurred in performing such maintenance upon the Lot.

Section 10 – Effect of Nonpayment of Assessments: Remedies of the Association

Any assessment or other charge not paid within thirty (30) days after the due date shall bear interest from the due date as provided in Section 1 of this Article IV. The Association may bring an action at law against the Owner personally obligated to pay the same; may foreclose the lien against the owner's lot in accordance with the provisions of Section 1 of this Article IV; or may do both. No Owner may waive or otherwise escape personal liability for the assessments provided for herein by nonuse of the Common Area or abandonment of his Lot.

Section 11 - Subordination of the Lien to Mortgages

The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to a judgment and court order on a foreclosure of any first mortgage shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No such sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Article V - Architectural-Control

No building, fence, wall, deck, shed, or spa, or other structure shall be commenced, erected, or maintained upon any Lot, nor shall any exterior addition to or change or alteration therein be made until two sets of plans and specifications showing: (1) the location of improvements on the lot (site plan); (2) the location of the driveway on the site plan; (3) front, rear, and side elevations; (4) the type of exterior materials (including deliver of samples thereof); and (5) the type and location of the front yard lights shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Architectural Control Committee.

The Committee's approval or disapproval, as required in these covenants, shall be in the event the Committee fails to approve or disapprove such plans within 60 days after receipt, such plans shall be deemed approved. No structure of any kind which does not comply fully with such approved plans shall be erected, constructed, placed, or maintained upon any Lot, and no changes or deviations in or from such plans as approved shall be made without the Committee's prior written consent.

Neither the Developer, the Architectural Control Committee, nor any member thereof, nor any of their respective heirs, personal representatives, successors, or assigns shall be liable to anyone by reason of any mistake in judgment, negligence, or nonfeasance arising out of or relating to the approval or disapproval or failure to approve any plans so submitted, nor shall they, or any of them, be responsible or liable for any structural defects in such plans or in any building or structure erected according to such plans or any drainage problems resulting therefrom. Every person and entity who submits plans to the Architectural Control Committee agrees, by submission of such plans, that he or it will not bring any action or suit against the Committee or the Developer to recover any damages or to require the Committee or the Developer to take, or refrain from taking, any action whatever regarding such plans or in regard to any building or structure erected in accordance therewith.

Neither the submission of any complete set(s) of plans to the Developer's office for review by the Architectural Control Committee, nor the approval thereof by that Committee, shall be deemed to guarantee or require the actual construction of the building or structure therein described, and no adjacent Lot Owner may claim any reliance upon the submission and/or approval of any such plans or the buildings or structures described therein.
